

## 122 Let's Sail Away. "ThR " 5.07.2023"

1. Now the afterglow is dying, in the harbour so serene  
look into the loveliest eyes I've ever seen
2. Where the waves are softly swaying, in the twilight of the day,  
I am aching for your love, and fade away

**(tussen)**

Take me away over waters, only carried by the wind  
to the shores of nowhere land,  
Take me away over waters at the mercy of the waves,  
to the shores of golden sand

**Refrein:**

Let's sail away, let's sail away,  
across the ocean, the mighty ocean.  
Let's sail away, across the sea,  
to mystic islands for only you and me.

Doe Doe Doe Doe, Doe Doe Doe Doe,  
Doe Doe Doe Doe Doe, Doe Doe Doe Doe Doe.  
Doe Doe Doe Doe, Doe Doe Doe Doe,  
Doe Doe Doe Doe Doe Doe Doe Doe Doe Doe.

3. Where the day is slowly dawning, in a misty morning dew  
wanna wake up lying on the beach with you
4. When the waves are softly swaying, in the twilight of the day,  
I am aching for your love, and fade away

**(tussen)**

Take me away over waters, only carried by the wind  
to the shores of nowhere land,  
Take me away over waters at the mercy of the waves,  
to the shores of golden sand

**Refrein: 3x**

Let's sail away (let's sail away),  
let's sail away (let's sail away)  
across the ocean, the mighty ocean.  
Let's sail away (let's sail away),

to mystic islands for only you and me.
